

Answer Booklet

FRENCH

The examination has 3 parts. *(This sample is an example of just one part).*

For each part, you will hear a listening item for which there is a set of multiple choice questions in your answer booklet. All answers must be written in this booklet.

Time is allowed for you to read the questions before you hear each of the listening items. You will be told when to do so.

Each item will have a short introduction in English.

You may make notes on rough paper at any time during the examination.

PART 1

You are about to hear a real conversation during a rescue operation between an accident victim and her rescuer. You will hear this conversation only once. You may take notes as you listen.

Your task is to answer the questions in the answer booklet. A beep indicates that the conversation is about to start.

Remember you will hear this part only once.

Now listen carefully to the conversation.

Write your answers below.
